

## **COTTO DEL CAMPIANO**

The ceramic surfaces of COTTO DEL CAMPIANO, Cir Ceramiche's new collection, tell the story of an ancient place, full of charm and beauty, located where the company has its roots. The porcelain stoneware of the ancient shrine's handmade terracotta floors reveals the personality of a durable and evergreen material.

Terracotta is also the symbol of Made in Italy, a common feature of different regional architectures, highlighted by the expressive and trendsetting colours of COTTO DEL CAMPIANO's project. Giallo Umbria, Rosso Siena, Terra di Pienza and the multi-colour Cotto Dorato encapsulate the evocative shades of colour acquired by the handmade material depending on the geographical origin of the clays used to produce it. The collection also includes 20x20 cm and characteristic esagona 15.8 x 18.3 cm sizes of the shiny originally elegant Bianco Antico, and of the Decoro Campiano Mix, a series of contemporary decorations over a white background.

The broad and versatile sizes range from 10x20 cm to 40x60.8 cm, thereby allowing multi-format laying, including the premixed mashup Modular 39 solution inserted in the collection by Cir.
